Owner of Record:

Alice Womble

EVA Status: Negative

Breeder's Terms: Please contact for current fees and terms.

Origin: Cacique is sired by the powerfully athletic jumper Cambridge who demonstrated exceptional skill at the earliest levels. Cambridge is known for his successful breeding career that has presented progeny endowed with outstanding paces, true to type of their remarkable sire. These exemplary traits are evident in the outstanding gaits of Cacique.

Performance Record: Cacique is out of Kalanda II, a modern, beautifully refined Verband States Premium mare (53 bonits, with 5 scores of 8). Kalanda is sired by Linaro. Linaro was both a Verband Stallion Approval winner and a Stallion Performance test Champion, a rare accomplishment, even for the best of horses. Linaro's Sire is the legendary Landgraf 1, who is known as the most important stallion in the past half century of Holsteiner breeding.

Cacique is bred to be a Champion. He has gone on to a highly successful career in the Dressage Arena. He was moved to California in 2006 to continue the development of his career under the guidance of internationally acclaimed trainer/rider, Sabine Schut-Kery. Some of his performance highlights include, 2007- Reserve Horse of the Year in Region 9 and most recently, Annual California Dressage Society Championships and USDF/Great American Insurance Group Region 7 Championships – Great American/USDF Open Prix St. Georges Reg. Championship – 5th Overall

Breeding/Progeny Record: Cacique's first foal crop was 100% Premium status with AHHA.
