Early Booking, Premium/Elite/Keur, Premium Producing, Performance Proven, Multiple Mare, & Return Breeder discounts

Origin: Hit Parade is by the Sandro Hit son Show Star. Show Star was the Federal Champion at three years old, Reserve Champion at four years old, finished second in the prestigious Nürnberg Burgpokal, and is now competing at the Grand Prix level. Grandsire Sandro Hit won the Bundeschampionat and the FEI Young Horse World Championships as a 6-year-old. Esprina, the dam of Hit Parade, has also produced the licensed stallion Roman Nature. Roman Nature was the federal champion of 3-year-old stallions and was vice champion at the World Championships in the Netherlands for 5-year-old horses.

Performance Record: In 2007 Hit Parade qualified for his first trip to the US National Championships with owner/rider Sandy Burns-Gardner. Hit Parade finished in fourth position overall and was the highest placed five-year-old stallion. This season, Hit Parade has gained strength and expression and started off the year with scores in the 70's at Second and Third Level. He was ranked first in the nation going into the 2008 Young Horse National Championships with an 8.34 average. Hit Parade finished his 2008 season by winning the USDF Region 7 Championships at Second Level, as well as the CDS Finals at Second Level.

Breeding/Progeny Record: Hit Parade's first foals, out of a Bugatti mare and a Ferro mare, both received Premium designations at their foal inspections and one received a score of 8.5 on movement. While Hit Parade continues to focus on his competitive career, we will look forward to producing more Premium offspring through the use of his frozen semen.
